

**Department of Agricultural & Consumer Economics (ACE)
On-Campus Transfer Application**

Transfer into all Department of ACE concentrations is competitive. Considerations include interests aligned with ACE concentration; potential to complete all requirements within 10 total semesters; and GPA in UIUC courses and "core" courses (guideline for transfer is 3.0 or above – however 3.0 does not assure admission). Students on academic probation will not be considered. The next transfer application due date is **12:00 Noon, Friday, August 18, 2017** in 304 Mumford Hall. Applications can be sent as email attachments to Opal Buoy at obuoy@illinois.edu or delivered as hard copy to 304 Mumford Hall.

Decisions about the August 2017 transfer applications will be communicated via email no later than 5pm Friday, August 25, 2017. Students accepted for transfer will meet with an ACE Undergraduate Program representative by Friday, September 8, 2017 to complete the transfer process. Specific times available for such meetings will be communicated in the email notification of transfer decisions. Questions? Contact Opal Buoy at obuoy@illinois.edu or (217)300-8474 for more information.
