

David Maurer

University of Illinois, B.S. Agricultural Science, 1984

David Maurer is a Commercial Manager for Urban Pest Management at Corteva Agriscience. Prior to his role there, he was a Portfolio Marketing Leader at Dow AgroSciences. He has 35+ years in various sales and marketing leadership positions. He also is owner, manager and operator of Maurer Farms, his family's corn and soybean operation.

Outside of work, David serves on the Marketing Council for the Professional pest Management Alliance, is an Illinois Foundation FFA Board Member, and is the Central Region Vice President for the Alpha Gamma Rho Fraternity.
