

**Lauren Lurkins**

Saint Louis University, B.S. 2003, Environmental Science

Southern Illinois University, J.D. 2006

Lauren is Founder of Lurkins Strategies, LLC, a consulting firm advocating for environmental policy on behalf of farmers and other businesses. Prior to this, she worked at the Illinois Farm Bureau as the Director of Environmental Policy in the Governmental Affairs and Commodities Division and at a private law firm focused on environmental law.

Lauren also currently serves on the NRES External Advisory Committee, the Illinois State Water Survey Advisory Committee, the Prairie Research Institute Advisory Board, and the Mahomet Aquifer Consortium Board of Directors, and she is on the Board of Directors for the Children's Discovery Museum Foundation and Girls on the Run of Central Illinois.
